

FLORENCE HIGH SCHOOL COURSE PLANNING SHEET 2011-12

Completed forms must be turned in by April 22, 2011. If you do not turn in a form, your counselor will create your schedule, and no changes will be allowed.

STUDENT LAST NAME _____ STUDENT FIRST NAME _____ Grade 2011-12 _____

Counselor (CIRCLE NAME): Lovelace Page Riser STUDENT HOME PHONE NUMBER _____

DIRECTIONS (Please read carefully): Circle the course number and title of your choices. You should choose one course in each of the core areas (English, math, science, social studies) and three more courses—a total of seven courses for a complete schedule. If you are on the Advanced Academic Diploma, your schedule MUST include a foreign language. Courses are two semesters long unless noted to the right of the course name. Some Career Tech and Elective courses have limited enrollment. Write in three alternate choices in the event a course will not fit in the student's schedule. *Your student's current teachers may recommend the level of core courses that your student should take. Some courses require teacher approval and are so noted. I understand that I am responsible for choosing the courses that are appropriate for my chosen diploma type. See CYC for new schedule change procedures--*
